To Jergens from the airport & south via I-71:

Cleveland Hopkins Airport is located on the southwest side of Cleveland, approx. 30-35 miles from Jergens, which is on the northeast side of the city.

From the airport take I-71N to Cleveland. This will take you into and through the downtown area. As you approach the downtown area keep to your left two lanes, you will start seeing signs for I-90 East. You will make a sharp right hand turn (there are speed bumps, warning signs, and flashing lights before this turn). At this point I-71 runs into I-90. Follow I-90 East along the lake shore to the E. 152nd St. exit (about 10 miles). Continue through the traffic signal on E. 152nd, you are now on S. Waterloo (stay in right hand lane or you will end up back on the freeway). Turn right at next traffic light. You are now on Jergens Way, left to parking.

From the Ohio Turnpike (I-80 and 90) and west:

Exit the turnpike at Exit 8A (which is when 80 and 90 split). Follow I-90 east into downtown Cleveland. I-90 connects into I-71 just prior to the downtown area. As you approach the downtown area keep to your left two lanes, you will start seeing signs for I-90 East. You will make a sharp right hand turn (there are speed bumps, warning signs, and flashing lights before this turn). At this point I-71 runs into I-90. Follow I-90 East along the lake shore to the E. 152nd St. exit (about 10 miles). Continue through the traffic signal on E. 152nd, you are now on S. Waterloo (stay in right hand lane or you will end up back on the freeway). Turn right at next traffic light. You are now on Jergens Way, left to parking.

To Jergens from from the east and south via I-90 and I-271:

Jergens is located on the northeast side of the city. If you coming from the south follow I-271 N (the right 2 lanes of I-271 connect to I-90 West). If coming from the east follow I-90-West to Cleveland.

NOTE: 3 of the 4 hotels are located on this portion of I-90; the Holiday Inn is at the Bishop Rd. (Rte. 84) exit, to your left; the Hampton Inn and Clarion are located at the Euclid Ave (Rte 20) exit. The Hampton is to your left; Clarion is to your right.

Continue following I-90 West (left two lanes) to Cleveland. Exit at the E. 185th St exit. Continue through the first traffic light (Neff Road). The second light is E. 185th St. Make a left hand turn on to E.185th. After you pass under the freeway bridge, to your right, is S. Waterloo Road. Turn right on S. Waterloo. Jergens is on the left side of the street at the first traffic signal. Jergens Way is on the west side of the building (at the light); make a left on to Jergens Way and left to parking.
