

THE *Jergens* DIFFERENCE

Kwik-Lock™ Pins

JERGENS KWIK-LOK™ PINS

Quick turnaround on special grip length, handles, materials, and ball configurations.

MS, NAS, DFARS and/or RoHS compliant KLP pins are available from stock.

Stock on over 6,000 standard items.

Lot number traceability on every pin.

VS. OTHER MANUFACTURERS' LOCKING PINS

Few manufacturers can match our delivery and turnaround times.

Many companies can't provide certification of compliance.

Parts are built only when an order is placed, increasing lead times.

No lot number or traceability on parts.
